We, the undersigned registered voters of Point Roberts, request the following modifications to the U.S.-Canada Nexus program:

1. **That uniform rules be established including a statute of limitations for ineligibility infractions;**
2. **That a timely and accessible appeals procedure be established regarding denial and/or revocation of privileges; and**
3. **That personal goods transported between mainland U.S. and Point Roberts be classified as in-transit, not exported to, or imported from Canada, as provided in Canadian regulations RC 4161.**
